By: Jennifer Whiteside

CHICAGO, Jan. 10, 2017 - Misty I. Gamino, a distinguished family law attorney will be featured on CAN-TV's Chicago Counterpoint TV (Channel 21) on Monday, Jan. 17, 2017, at 7:30 P.M. (CST). Hosted by renowned Fathers' Rights attorney Jeffery M. Leving, Chicago Counterpoint TV provides crucial legal education to single dads, men in divorce and Chicago family law attorneys looking to expand their professional knowledge.

Attorney Misty I. Gamino

A zealous advocate and proponent for fathers' and children's rights, Gamino is a dynamic trial lawyer who always puts the welfare of her clients first-in one case, she fought vigorously to protect a father who was falsely accused by his ex-wife of sexually and physically abusing his daughter, while in another, she secured custody for an unwed father's two-year-old little girl after she was horrifically abused by her mother and her husband.

In addition to fighting for children and fathers, Gamino is highly skilled in representing clients in the immigration process. Aside from Attorney of the Year, she has also been presented Best Advocate, Super Trial Lawyer and Super Family Lawyer Awards by her peers in the legal community.
