*William K. Bass*

---

William K. (“Bill”) Bass, a highly respected and talented family law litigator with the Law Offices of Jeffery M. Leving, Ltd. for many years, passed away on February 9, 2015. Bill worked tirelessly to rescue children from dangerous situations. He was a great man, a great father, a friend, and many fathers and children are now safe because of him. Bill will live on through the children who are able to now live in a safe environment free of abuse and danger because of his dedication. In addition to his prodigious legal skills and acumen, Bill was well known for his wit, his enthusiasm and positive attitude. His loyalty and integrity were strong and unbreakable. We will miss him.
